Stories are normally between 500 and 5000 words long and should be emailed to us at afewforgottenwomen@gmail.com as a word document or similar, so that we can add our header. We cannot guarantee to accept your story and we may suggest minor edits. Please

don't be disappointed if we feel that your contribution doesn't fit our current brief. Stories should be your own and any illustrations must be copyright free. Facsimile documents can only be used with the written permission of the archive concerned. Please also consult any close relatives of the woman you are writing about, to get their permission to publicise the story.

Thank you.
